SAFE ROUTES TO SCHOOL · BLOOMER TOWNSHIP & CARSON CITY

HELP US IMPROVE SAFETY ALONG M-57

Bloomer Township, Carson City, and project partners are exploring opportunities to improve walking, biking, accessibility, and safety along the M-57 corridor, with a focus on creating a safer, more connected route between Fellowship Baptist Academy Schools and Carson City-Crystal Area Schools.

Community input will help guide a Safe Routes to School grant application focused on:

SAFER CROSSINGS

Marked crosswalks and school-zone improvements near all campuses.

CONNECTED SIDEWALKS & PATHS

Closing gaps so students can walk or bike between schools and neighborhoods.

ACCESSIBLE ROUTES FOR ALL

Curb ramps and routes that work for wheelchairs, strollers, and people with low vision.
